### REASONS FOR ALLOWANCE

The following is a statement of reasons for the indication of allowable subject matter: the art of record considered as a whole, alone or in combination, neither anticipates nor renders obvious a wire-stripping pliers having a pair of sliding wedges (13,23) that are mounted in a recess shaped to match the sliding wedges in the jaw parts wherein at least one sliding is mounted in a recess shaped to match the sliding wedge, the recess located in the first plier arm (1) wherein a first sliding wedge surface (15) facing the cutting jaws (41) is flat and a second sliding wedge surface (17) resting in the recess is so shaped that the distance between both sliding wedge surfaces decreases from a central area of the sliding wedge toward at least one of the two sliding wedge ends, and wherein squeezing the wire-stripping pliers, causes longitudinal displacement of the sliding wedges (13, 23) along with simultaneous matching of position of the sliding wedges (13, 23) perpendicular to the longitudinal direction that results in cutting-depth adjustment of the cutting jaws (41) and the cutting blades (37)” in the combination as claimed in **claim 1**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
